**DATE:** March 24, 2010

**SUBJECT:** HCR WEBINARS – ONLINE REGISTRATION

---

Upgrades are currently being made to the online parent registration system utilized by the Hockey Canada Registry. This new version of the online registration system is being provided to better satisfy the needs of all associations across Canada. New features being implemented to satisfy these needs include:

- paying for multiple registrations at one time instead of individually
- fully customizable questions for each registration package
- cleaner look and feel

To provide the best experience to the users of the HCR, Hockey Canada will be hosting webinar training to all those interested in learning more about using the online parent registration system. To register for one of these sessions please use the web link below:

The upgrades to the online parent registration system will take effect April 8, 2010. To accommodate this upgrade the HCR will be offline from 6 AM to 12 PM EST.
